GLOBALX

COMPANIES HOUSE

*Easy login, draft  
recognisable  
form with  
configurable  
time-out sessions.*

*40 minutes  
TIME-OUT inactive  
web filing window  
or start all over  
again.*

*Easy, secure  
form that will  
allow you to  
share with  
others*

*All necessary  
information must  
be to hand before  
beginning the form.  
You are unable to  
share with others.*

*Built-in version control  
- form data can be  
automatically emailed  
back to you, then saved  
to your document  
management system.*

*Design restrictive and  
limited in  
functionality with key  
feature missing, such  
as draft and preview.*

*Varying  
authorisation levels  
available. Only  
authorised people  
can complete the  
e-filing process.*

*Anyone with  
access can file.  
Any errors can be  
costly and  
difficult to  
remove.*

“ We have used your online registration system and we are very impressed with it – so, thank you.”

## Our new filing software requires:

- 🌐 No Big Upfront Setup Fees
- 🌐 No Lengthy And Complicated Installations
- 🌐 No Contracts Pay As You Go

## And also, you can:

- 🌐 share Mortgage Document forms securely, internally and with 3rd parties
- 🌐 set up different levels of authority for users so that only supervisors can submit the final draft to Companies House
